Your **2017 RamStarter Donation** helps our Middle School and High School be the best they can be, and provides your students with skills and experiences they need for a lifetime of achievement. Your support is critical to our success. *Please join us!*

◆ **Willow Glen Middle & High School Foundation.** The Willow Glen Foundation strives to enhance 21st Century learning at both Willow Glen High School and Willow Glen Middle School. We develop resources and fund programs that foster academic achievement, cultural enrichment, and community building for all students. Emphasis is given to programs that help to maintain a vibrant school community, encourage respectful and engaged students, and equip classrooms and libraries to optimize learning. *Visit us online at WillowGlenFoundation.org.*

◆ **WG Athletic Boosters.** The Athletic Boosters provide financial and moral support for our athletic teams and facilities. We raise funds to pay for all Middle School competitive sports, including coach stipends, insurance, referees, and league fees. We support all High School competitive sports in BVAL and raise funds for team stipends, an athletic trainer, athlete recognition and facility upgrades. We also support individual team fundraising for uniforms and equipment. *For more information, or to order Ram sportswear or annual game passes, visit WGAB.org.*

◆ **Performing Arts Boosters.** The Performing Arts Boosters provide financial and volunteer support to ensure that the performing arts continue to thrive and grow at Willow Glen Middle and High Schools. Funding pays for instruments, repairs, sheet music, costumes, classroom technology, festival fees, instruction, and much more — for our Dance, Theatre, Band and Choir programs. *Learn more at WGPAB.org.*

◆ **Manos Unidas (WGMS & WGHS).** Manos Unidas is a Latino parent-based organization connecting our Latino population to the school community and academic-related topics, issues, and resources for parents. We offer classes in parenting strategies, college readiness, bullying, positive discipline, nutrition and more. Manos Unidas is also an active sector of our SELAC and DELAC committee for English language learners.

Manos Unidas es una organización basada en los padres latinos que conecta nuestra población escolar. Educamos a los padres de familia sobre el sistema escolar, problemas en la casa, problemas académicos y otros recursos. También ofrecemos talleres como Disciplina Positiva, Nutrición y mucho más. Manos Unidas es también un sector activo de nuestro comité de SELAC y DELAC de nuestros estudiantes que están aprendiendo Inglés. Nos reunimos una vez al mes.

◆ **WGMS Parent Teacher Association (PTA).** The WGMS PTA brings parents, teachers, and staff together to enrich the school experience by supplementing school funding and providing volunteer support. PTA has helped WG Middle School fund technology, incentive programs for academic success, classroom supplies, science lab supplies, and provided materials for teachers to enrich classroom instruction. We also support student activities and a variety of campus enrichment programs. *To learn how you can help, visit us at Facebook @wgmspta.*

◆ **WGMS Associated Student Body.** The ASB supports student activities and athletics. Student officers create the budget that funds dances, lunchtime activities and rallies, eighth grade basketball, community service projects, and other ventures that promote the interests and welfare of the school, its students, and the community.

◆ **WGHS Parent Club.** A program of the WG Foundation, Parent Club donations support student and family events, teacher recognition, and classroom grants. Funding continues the specific mission of the Parent Club with parent/child activities, senior and student recognition, classroom needs, and teacher appreciation events. Your support enhances our students' school experience, builds community, and directly supports teachers.

◆ **WGHS Associated Student Body (2017-2018 ASB Card).** *The ASB Card gives students discounts on dances and free admission to league home and away games.* ASB student leaders work together with Student Council Representatives and Class Officers to create an environment where students feel safe and are encouraged to make every day count. We support school dances, sports, clubs, lunchtime events and activities, rallies and Homecoming.

◆ **WGHS Willow Glen Cares.** WG Cares supports WGHS students and families facing severe hardships, including extreme poverty, homelessness, foster care, health crises, or loss of a parent. By discreetly helping these students meet basic needs, and by providing resources and encouragement, we help increase grades, attendance, test scores, and self-esteem, while reducing truancy and at-risk behavior. *See our page on the WGHS web site to learn more.*
